

**UNITED STATES DISTRICT COURT
DISTRICT OF NORTH DAKOTA
SOUTHWESTERN DIVISION**

Richard Brakebill, Deloris Baker, Dorothy Herman, Della Merrick, Elvis Norquay, Ray Norquay, and Lucille Vivier, on behalf of themselves,

Plaintiffs,

vs.

Alvin Jaeger, in his official capacity as the North Dakota Secretary of State,

Defendants.

Civil No. 1:16-cv-8

Declaration of Gabriel R. Sanchez, Ph.D.

I, Gabriel R. Sanchez, declare as follows:

1. I am currently a Professor of Political Science and Executive Director of the Robert Wood Johnson Foundation Center for Health Policy at the University of New Mexico (“UNM”). I have personal knowledge of the facts set forth in this declaration and could and would competently testify to those facts if asked to do so.

I. Qualifications.

2. I have been on the faculty at UNM for the past 11 years. I also direct the Institute for Policy, Evaluation, and Applied Research (IPEAR) at UNM and have served as the American Economic Association’s Minority Summer Training Program.

3. I am a Principal at the research firm Latino Decisions.

4. I have taught courses on American Politics, Racial and Ethnic Politics, Research Methodologies, Public Opinion and Survey Research, Health Policy, and more. I completed my Ph.D. in Political Science at the University of Arizona in 2005, with an emphasis on racial

and ethnic politics and survey research methods. Professor John Garcia, a well-known expert in survey research methodology and minority politics, served as my principal dissertation advisor.

5. I have conducted statewide public opinion surveys in Wisconsin, Pennsylvania, and Texas to assess rates of possession of voter identification. Previous courts have accepted these surveys as viable and accurate methods for determining ID possession rates by race and ethnicity. In 2014, in *Veasey v. Perry* (No. 13-CV-00193), the District Court, and later the Fifth Circuit Court of Appeals, that my survey was statistically accurate and reported clear evidence that Hispanics and African Americans were disproportionately impacted by the Texas voter ID law.

6. My full professional qualifications and activities are set forth fully in my curriculum vitae, a true and correct copy of which I have attached as Exhibit A.

II. Scope of Work.

7. The Plaintiffs retained me to examine and analyze the possession rates of valid voter identification in North Dakota. More specifically, Plaintiffs asked me to assess whether there were any differences in possession rates between the Native American eligible voting population and the non-Native American eligible voting population.

8. I worked on this project with Dr. Matt A. Barreto. I have worked with Dr. Barreto on similar projects in the past. I understand that Dr. Barreto is submitting a declaration concurrently with mine that details our methodology and findings. I hereby incorporate paragraphs 11-57 of Dr. Barreto's declaration as if set forth in full.

Executed on June 20, 2016 at Albuquerque, New Mexico.

I declare under penalty of perjury that the foregoing is true and correct.

A handwritten signature in dark ink, appearing to read 'G. Sanchez', with a long horizontal flourish extending to the right.

Short Narrative Description of Research, Teaching, and Service Interests

Research: My research agenda focuses on understanding the impact of racial and ethnic diversity on the U.S. political system. I currently have published one co-authored book, an edited volume, nine solo or co-authored book chapters, nineteen research articles in print in peer reviewed journals, and have eleven manuscripts accepted for publication in peer reviewed journals. My initial research program examined the role of group identity in Latino political behavior. Subsequent research has expanded on these themes, exploring the foundations of group identity across multiple racial/ethnic groups. My pursuit of group identity among racial/ethnic groups will continue to be the core of my research agenda, as reflected in the working papers I have at various stages. I have also engaged in a major research program with my colleague Michael Rocca on the dynamics of minority congressional representation. We have five manuscripts accepted for publication with multiple manuscripts in development within this area. Following tenure and promotion, I also initiated a third major research agenda focused on how race and ethnicity influence public attitudes toward health policy, as well as racial and ethnic health outcomes. This new research program has produced three published articles, and I have three additional papers accepted for publication. There are several additional manuscripts at various stages of the research process focused on health policy with junior scholars under my mentorship. I have also been very active in sponsored research, serving as PI or Co-PI on 17 grants/contracts with a total of \$5,894,352 in direct funding, \$525,104.73 in in-direct funding, \$6,419,456.73 overall. I also direct a vibrant research center at UNM that has generated \$7,518,762 in direct and \$1,198,059 in in-direct funding under my leadership.

Teaching: My teaching at UNM has included eleven sections of American Politics (PS 200), including two sections of Freshman Learning Community versions, courses that are designed with collaborative learning methods intended to engage students through active learning. I have also led six sections of Racial and Ethnic Politics (PS 307), three sections of Public Opinion and Electoral Behavior (PS 305), and two graduate Research Seminars in Racial and Ethnic Politics (PS 511). I have received strong evaluations from students across all courses. I have also developed and taught two sections of a “Job Market Preparation” course that has had a marked impact on the placements of graduate students in the social sciences at UNM, and have given multiple workshops at the ICPSR Summer Program at the University of Michigan. I have chaired two PhD committees, and have several doctoral and masters students under my supervision as chair or committee member. I have published several manuscripts (many more in development) with PhD students from UNM and other institutions, and I have mentored several promising undergraduates. Finally, I have mentored multiple post-docs and junior faculty associated with the RWJF Center for Health Policy, as well as junior faculty outside of UNM. I have emphasized mentoring heavily in my career, and I have been recognized for my efforts with multiple UNM Faculty of Color Awards and the inaugural “Luminaria” Presidential award for commitment to diversity in mentoring.
